Wye Salmon Association in conjunction with the Game Angling Instructors Association and Island Stream Angling Society invite you to join them at their casting clinic. We have 45 minute sessions available between 10.00am & 4.00pm each with a qualified GAIA Instructor. Sessions can be booked for one (£20) or two (£30) people. GAIA Instructors will be delighted to tailor the session to suit your needs or look at you casting action and advise on adjustments. Book a session in the morning, spend midday meeting old friends, have a bite at the BBQ, buy a few of your favourite flies for the new season or perhaps talking opportunity for a season rod with one of the beat owners or gillies who will be available during the day, and finish with another 45 minute session.
