Wye Salmon Association in conjunction with the Game Angling Instructors Association and Island Stream Angling Society invite you to join them at their casting clinic. We have 45-minute sessions at £25 per person, available between 10.00am & 4.00pm each with a qualified Instructor. Instructors will be delighted to tailor the session to suit your needs or look at your casting action and advise on adjustments. Book a session in the morning, spend midday meeting old friends, have a bite at the BBQ, buy a few of your favorite flies for the new season or perhaps take the opportunity to discuss various beats with other anglers or maybe a season rod with one of the beat owners or gillies who should be available during the day, and finish with another 45-minute session.
